Incline Village General Improvement District

- Guidelines. IVGID will develop a uniform set of guidelines to direct the administration of the District's personnel matters.
- Planning. IVGID will develop a strategic approach to personnel administration which will diagnose long-term problems, anticipate future needs, and develop a stable framework for addressing these problems and needs in an orderly fashion.
- Unions. IVGID will maintain a cooperative relationship with collective bargaining units and their representatives, which establishes a clear understanding of the proper roles for both unions and management.

IV. PROCEDURES

The General Manager is accountable to the Board of Trustees for the fair and efficient execution of these guidelines, as well as the overall performance of IVGID. In order to maintain this accountability, the General Manager must be given the authority to administer personnel matters without direct Trustee intervention or influence.

The following procedures shall govern the personnel practices of IVGID:

- The General Manager shall maintain direct, day-to-day supervision over all District employees, with the exception of the Attorney. Supervision includes the power to hire, fire, motivate, discipline, evaluate, promote, demote, transfer, and train employees, subject to established personnel guidelines, union contracts, Board policy, and generally accepted personnel practices.
- The General Manager will keep the Trustees informed about the status of all major personnel actions relating to department head positions. Department head appointments and terminations shall be discussed with the Trustees in advance. Information on personnel actions relating to non-department head positions will be provided on an as-requested basis.

- Trustees are encouraged to express their opinion and/or concerns on any personnel matter to the General Manager in private. Trustees, individually or as a body, will refrain from directly intervening in or publicly influencing any personnel matter within the jurisdiction of the General Manager.
- Trustees will exercise their authority to direct Staff, collectively, through the General Manager, at Board meetings. Individual Trustees shall refrain from directing or attempting to directly supervise Staff. This policy statement is not intended to prevent individual Trustees from occasionally making suggestions to supervisor Staff, when such suggestions do not imply supervisory direction.
- All union matters, other than overall negotiation strategy, will be handled by the General Manager. The Board will maintain responsibility for establishing overall negotiation strategy and approving final union contracts.
- The General Manager shall be responsible for coordinating the work of the Attorney with the activities of IVGID Staff, and the Board of Trustees.
- The General Manager shall recommend, and the Board of Trustees shall establish, salary ranges for all non-contract, full-time permanent employment classifications. Salary ranges shall be based upon objective criteria not specific to individual employees, relating to union contracts, market conditions, cost of living, budgetary guidelines, legal considerations, and job descriptions.
- The General Manager shall set a specific salary for each employee within the salary range established by the Board of Trustees. Specific salaries shall be based upon employee-specific information, including qualifications, experience, longevity, and performance evaluations.
