from our Recreation Manager...

*It should come as no surprise that research has found evidence to support the following equation:
A Healthy Community = A Prosperous Community.*

With global urbanization upon us, the value of living in our unique mountain paradise becomes more apparent. For the first time ever, more than half of the world's population lives in cities. With the stress created by the inherent competition for a lane on the freeway or a spot in line at your local grocery store, leaders and policy makers of urban communities are attempting to implement programs and services to better community health & wellness.

The decision we made to "move to the mountains" was not one made lightly. The desire to live a stress-free life, discover healthier lifestyle choices, drink pure water and enjoy a pristine environment outweighed the challenges that living in a rural mountain community might bring. We have intentionally made this choice for our children and ourselves and, we have high expectations for our quality of life.

It is the goal of the Incline Village Recreation Center to support community Fitness, Health & Wellness by providing the excellent, age appropriate programs and services outlined in this edition of the IVGID Quarterly. By adopting a holistic approach, the seven dimensions of wellness, - physical, intellectual, social, environmental, expressive, transcendent and professional, - are met. By programming across generations, we foster a community for all ages. From the toddler Tiny Timbers Program to the Senior Conversation Café and everything in between, your Parks & Recreation Department strives to provide state of the art wellness opportunities for you and your family.

The Parks & Recreation Department is a proud member of the Community Services Team and the IVGID family. We work to incorporate our core values of Service, Excellence, Responsibility, Integrity, and Teamwork into everything we do. Our dedicated, qualified staff offers a menu of wellness opportunities including an Annual Community Fitness Challenge, social group and aqua fitness classes, personalized workouts and nutrition programs, competitive sports leagues and clubs, Wellness Through the Arts dance, music and art programs, inspirational Yoga and Tai Chi workshops and stimulating discussions and pertinent presentations.

All of this is waiting for you – and it is in your own backyard. I invite you to peruse the pages of this Quarterly and discover the path to improved fitness, health & wellness, today!

To your health!

LAKESHORE
REALTY

954 Lakeshore Blvd. Incline Village, NV 89451

LOCATION, LOCATION, *Location*

" We knew in 1994 how important location was
which is why we have the best in town! "

Lakeshore Realty has a location second-to-none! In the real estate world as the saying goes, "location" is one of the most important factors for homebuyers and sellers alike. At Lakeshore Realty we understand this and that's why our location is one of the best in all of Incline Village & Crystal Bay.

We have the advantage of being located a few steps away from Ski Beach and 1/2 a block from the Hyatt Regency. An industry leading portion of our sales are attributed to those who visit the lakefront amenities and decide to stop in our office to look at property. This kind of quality foot traffic is unheard of in the real estate industry and gives us unmatched exposure to reach those whom are already vested in Lake Tahoe.

In the age of the internet you might be wondering how our office location impacts you and the potential sale of your home? Despite our global presence we have discovered that the real buyers of property are closer than you think. Fortunately for us, they are usually just a few steps away.

How to get back into the swing of your golf game

Spring is in full swing and golf season is right around the corner! The Incline Village Golf Courses are projected to open mid to late may, weather and conditions permitting, so get ready for the season and start working on your swing.

If you haven't been keeping up on your stretching, now is the time to start. Tension is the enemy when it comes to your golf swing. Start with a few minutes of light cardio to warm up your muscles then spend a few minutes stretching each of these key areas: neck, shoulders and sides.

Work on strengthening your core by lifting weights. Or for a simple approach you can do basic sit-ups, crunches, and planks at home.

Start working on your swing but start small as you don't want to pull any muscles. Start with shorter swings and short approach irons, working your way up to longer irons, fairway woods, and your driver. Looking for a place to hit some balls? The Championship Golf Shop now has an indoor hitting net and FlightScope launch monitor. This new gadget provides instant feedback and you can play 16 different courses virtually. Call the Golf Shop at 775-832-1146 to book a time to use the hitting net. The golf simulator sessions are priced by time instead of per player. Rates are \$20 (\$15 IVGID Pass holder) for 30 minutes or \$35 (\$25 IVGID Pass holder) for an hour.

Take inventory of your golf gear and equipment as it may be time to invest in some new clubs or golf clothes. Our staff is happy to help you pick out clubs and golf attire. You can also demo the latest clubs from Titleist, Taylormade, Ping, Callaway, Adams or try out different grips, shaft flexes and lofts with our fit carts.

The Championship Golf Shop is open daily from 10am-5pm this spring so stop by or give us a call and we'll help you get ready for another great golf season.

Check out our website for more great programs throughout the season: www.golfincline.com 

MOUNTAIN GREENS AND LAKE VIEWS: PERFECT FOR YOUR GROUP GOLF TOURNAMENT

Groups of 16 or more players can enjoy a hassle-free professionally planned golf tournament or group event at the Incline Village Golf Courses. Depending on the level of challenge desired and time available, our event planners can tailor a package to fit almost any schedule, budget and level of play.

- All group packages include tournament and group services. For tournaments at the Championship Course, each player will receive a small bucket of balls for the driving range.
- Top-of-the-line rental golf clubs are available at both courses including men's and women's, right and left-handed.
- We will assist with course contest set-up. A great way to make the tournament more memorable for all is to set up a few "Longest Drive" and "Closest-to-Pin" contests. More chances to win = more opportunities for fun.

- Professional tournament scoring for any format of play can be handled by our PGA staff. Scorecards will be accurately tabulated and posted on professional calligraphy score sheets while groups enjoy beverages on our scenic outdoor patios.
- Golf bags are handled by our efficient cart services staff upon arrival at the course. The names of each player on the front of their golf cart eliminate confusion and help keep larger groups organized.
- Food and beverage services include fully stocked beverage carts and snack bars, outdoor patio dining and banquet facilities for up to 270 people. Box lunches, group charging and fully catered events are available to meet group needs.

For more information about booking tournaments contact our Tournament Coordinator at (775) 832-1146 or email golfevents@ivgid.org. 

INCLINE VILLAGE IS YOUR TAHOE PLACE FOR WEDDINGS & EVENTS

Lake Tahoe is known as one of the most beautiful regions in the world. As the second largest lake in North America, it offers a pristine alpine environment perfect for weddings, meetings and group events. Incline Village is a year-round destination offering unlimited outdoor recreation and relaxation opportunities. Create an unforgettable experience for your next Lake Tahoe meeting, wedding or golf event at one of our classic Tahoe facilities.

Have you or someone you know recently gotten engaged? Not too surprising, with 16 percent of all engagements occurring in December.

Planning a wedding or large celebration can be overwhelming, so here are some tips on how to get started.

The first items to tackle are figuring out your budget and choosing your venue. Do you want to get married here in Tahoe? With abundant sunshine and breathtaking views it is no wonder that Lake Tahoe ranks nationally in the top five wedding destinations.

Incline Village in particular offers an unparalleled set of wedding and event venues.

The Chateau at Incline Village is a great spot to begin your search for the perfect traditional wedding location. We have 5,200 square feet of pure Tahoe ambiance — open beams, large rock fireplaces and sweeping mountain, lake and golf course views.

Aspen Grove is a hidden gem. Nestled in an Aspen Grove, this venue is incredibly photogenic, with a canopy of green spreading over picnic seating for 200 guests.

The grassy area at the far end of the park is the perfect setting for an outdoor ceremony, lawn games and dancing. The barbecue area offers a versatile setting for buffets and bar service.

This is a perfect location for a wedding, but also an amazing rehearsal dinner or post event brunch site.

Diamond Peak's Base Lodge deck is growing in popularity for winter wedding ceremonies. We have hosted a few winter ski ceremonies with guests getting a full view of the bride and groom's grand ski entrance from the deck of the Base Lodge.

Once you have selected a venue, all of the other pieces seem to fall into place. Hiring entertainment, a photographer, a baker for your cake and a florist to set the scene at your reception are logical next steps.

We recommend hiring a photographer who is familiar with the area because he or she knows the best locations for breathtaking shots. Happy planning! 🏡

Congratulations to the IVGID Event & Facilities team for receiving the following awards for 2016: Couple's Choice Award from Weddingwire.com; Hospitality Award from Lux Enterprise; Borrowed & Blue Vendors' Choice Award.

chase life!

COMMUNITY SERVICES MASTER PLAN

Let's talk about what our community wants for IVGID Community Services in the future (CSMP)

In 2016, we kicked off a 18 month-long process of master planning for the future of IVGID Community Services, and we need to hear what the community wants for its' facilities and programs. Community Services encompasses the Beaches, Parks, Recreation Programs, the Recreation Center, The Golf Courses at Incline, and Diamond Peak Ski Resort. The last effort was in 2000 when the Incline Village Recreational Facilities Master Plan was completed. Updating these plans every ten to fifteen years is good practice as it provides road map for maintaining or revitalizing the existing community amenities and/or expanding the venues to provide the new features the community desires.

Together, we will develop a long-range community services master plan to identify and plan for the future of community driven recreation activities and facilities in Incline Village and Crystal Bay. To date, the District has undertaken significant effort to assess many of the existing recreation facilities and operations and has developed planning documents, by venue, that identify the capital maintenance needs as well as the operational enhancement and future infrastructure investment opportunities. However, no major effort has been undertaken to assess the community priorities for future infrastructure investment in the existing venues or evaluate what services/facilities not presently provided by the District that are desired by the community.

Throughout this project we will conduct public meetings and community surveys to assess expectations, help set priorities, evaluate the opportunities for additional/expanded recreational offerings and facilities, and if identified - assess the community's willingness to fund new or different facilities and programs. Look for Community Workshops this summer and plan to join your neighbors in a dialogue about what IVGID Community Services should be to serve our residents in the next 20 years.

PLEASE MARK YOUR CALENDAR FOR SATURDAY, JUNE 24 AT THE INCLINE VILLAGE RECREATION CENTER COMMUNITY SERVICES MASTER PLAN - COMMUNITY WORKSHOP, TIME TBD

The first Community Services Master Plan Community Interactive Workshop was held on November 30, 2016. Storyboards & presentation from the November 30th meeting are available on our website: <https://www.yourtahoepace.com/ivgid/resources/community-services-master-plan>

To view previously approved Community Services Master Plan components including Golf, Tennis, and Ski, go to: <https://www.yourtahoepace.com/ivgid/resources/master-plan>

Prior to retirement in 2001 Phil worked 28 years for Bank of America and 9 years with Perot Systems with many years of executive management experience. He also spent more than 15 years living and working internationally.

For the past 15 years, Phil has been active and participated in a variety of local and Washoe County community activities in leadership positions which currently include Washoe County Planning Commission and Washoe County Board of Equalization. Locally he is a past President of Incliners and Treasurer of Marine 9.

Peter Morris was born and raised in England and immigrated to the US 25 years ago. Working for major international corporations as well as numerous start-ups, his focus has been the delivery and implementation of technology in healthcare. He has worked with organizations and governments around the world including Europe, North America and South East Asia.

Peter owns BrightStar Care of Reno, a homecare and home health agency providing support for seniors and people of all ages to remain at home to receive care and enable them to age in place. BrightStar serves northern Nevada including Incline Village.

An avid sportsman, Peter was a rugby player for most of his adult life. He is a passionate skier, snowboarder and mountain biker and it was in pursuit of the perfect combination of a snow and summer lifestyle that inspired his move to Lake Tahoe in 2005.

Peter is a very dedicated father with one young teenage daughter, two adult children and four grandchildren. Collectively they are all wonderful apples of his eye!

Peter is also passionate about the arts, and thoroughly enjoys being a part of our local Incline Follies' productions. Though his free time limits him to merely being in the audience of other productions these days, he still yearns to once again maybe 'tread the boards'.

Peter was elected to serve a 4-year term on the Board of Trustees beginning 2017.
