GUIDE TO PASSES

This Guide to Passes is a simplified, one page sheet that covers the important points of interest from Ordinance 7 and is designed as a quick reference for our residents. Please refer to IVGID's Ordinance 7 for the complete information regarding all passes.

Resident Passes

Parcel Owners receive five (5) resident passes per assessed single family dwelling. Resident passes can be assigned only by the listed property owner or the authorized agent for the property. Signing Agents must have a completed Agent Authorization form on file with the Parks & Recreation Department.

Resident passes are issued in two forms;

IVGID Picture Pass

An IVGID Picture Pass is valid for the passholder only. It allows the passholder free access* to District-owned beaches, and entitles the cardholder to the current resident rates at the Incline Village Golf Courses, Tennis Center, Recreation Center, Diamond Peak Ski Resort and the Wetlands Hunting Program.

Persons eligible for an IVGID Picture Pass include first and second degree family members of the property owner and long-term leasing renters/tenants.

Family members receiving passes must have a completed Assignment of Recreation Privileges green form on file at the Parks & Recreation Department in order to be eligible for an IVGID Picture Pass. An IVGID Picture Pass is issued for a minimum term of six (6) months up to a maximum term of five (5) years. The desired term must be specified by the property owner or authorized agent on the Assignment of Recreation

Privileges form. If no expiration date is specified, the minimum term** shall apply. Passholders will receive a renewal letter to notify them when their pass is about to expire, as well as renewal instructions.

A Renter/Tenant applying for an IVGID Pass must present a current, valid lease agreement in their name and a completed Assignment of Recreation Privileges yellow form to the Parks & Recreation Department in order to receive an IVGID Picture Pass. The expiration date for a Renter/Tenant IVGID Pass is determined by the property owner or authorized agent, not to be extended past the valid term of the lease agreement, and must be indicated on the Assignment of Recreation Privileges form. If no expiration date is specified, the minimum term** shall apply.

A lost IVGID Pass can be replaced for a \$15 fee.

Recreation Punch Card

A Recreation Punch Card is a transferable, non-picture card with a specific dollar value, which can be used by the resident's guests. Recreation Punch Cards are valid June 1st through the following May 31st and are issued annually. The holder of the Recreation Punch Card will gain free access to District-owned beaches*, and is eligible for the daily resident rate at the Incline Village Golf Courses, Tennis Center, Recreation Center and Diamond Peak Ski Resort. IVGID will deduct the full entrance fee to the beaches, and the difference between the non-resident and resident rates will be deducted from the card for all other facilities. Resident fees will not be deducted from the card. Residents may use a Recreation Punch Card to pay for a daily boat launch.

A lost or stolen Recreation Punch Card can be replaced for a \$15 fee.

Additional Passes

Additional IVGID Passes can be purchased by a property owner or person(s) authorized by a property owner and are valid for one year from the date of purchase. Additional Recreation Punch Cards can be purchased by the owner or person(s) authorized by a property owner and are valid until the May 31st expiration date. ROBERT & ROBIN HOLMAN FAMILY BIKE PARK

After numerous fundraisers, community build-days, and extensive planning, Incline Village Parks & Recreation and Incline Tahoe Foundation (ITF) are proud to announce the opening of the much-anticipated phase 1 of the Robert & Robin Holman Family Bike Park. This park is located within Incline Park, on the west side of the entrance of the Incline Village Recreation Center (980 Incline Way, Incline Village), and is free and open to the public.

On Saturday, October 28, 2017, hundreds of community members, families, and riders came out to enjoy the opening ceremony, ribbon cutting, and great weather.

Phase 1 of the project was awarded and completed by a local business, Sierra Trail Works of Reno, Nevada. The first phase of the park includes a pump track, beginner and intermediate flow lines, District supplied ramps, temporary and permanent BMPs,

and drainage improvements. The park was funded through generous donations from community members and in large part by a grant to ITF from the Holman Family Philanthropies Fund held at the Parasol Tahoe Community Foundation.

The Incline Bike Park, is a partnership project of the Incline Tahoe Foundation, a 501 c 3 organization, whose mission is to enhance the overall well-being of the Incline Village and Crystal Bay Community's public parks, recreation facilities, programs and services through private donations, grants and endowments. The goal of the Incline Bike Project is to provide a free-to-use bike park facility that welcomes all ages and skill levels to a safe, outdoor, healthy, family friendly community-gathering venue.

The collaborators of this new community park would like

to thank the Holman Family, The Parasol Tahoe Community Foundation, local bike enthusiast, Aaron "Elko" James and our community for their support and contributions. This project would not be possible without their generosity and Elko's vision and passion.

Stay tuned Phase 2 of the Robert & Robin Holman Family Bike Park with completion anticipated in Spring.

For more information, check out www.facebook.com/InclineBikeProject/

PLEASE NOTE: During inclement weather, the Community Bike Park is closed. For the safety of the participant as well as the care and condition of the park, it is important to stay off the surfaces and features during wet conditions.

INCLINE VILLAGE GOLF COURSES

The Incline Village Golf Courses offer two distinct must-play golf experiences to fit any budget. Our facilities include two 18 hole courses – the par-58 Mountain Course and the par-72 Championship Course – as well as a driving range, putting and chipping greens, numerous food & beverage options and special event facilities.

The golf shops are stocked with full lines of men's, ladies' and kids' apparel, as well as the top clubs, golf balls and shoes. PGA teaching professionals are available for

private and group instruction.

IVGID Passholders can receive a discount on green fees, programs, and most merchandise at the golf shop. The Championship Course and Mountain Course typically open in mid-May (weather permitting). Visit www.golfincline.com or call 775.832.1146 for tee times and more information.

Incline Village Champion Course

The Championship Course was built in 1964 by Designer Robert Trent Jones Sr. who called the course "the ideal mountain layout" with "views you will never forget." This challenging par-72 course offers everything you look for

in a mountain design- towering trees, elevation changes, and natural water features – all of which complement its picturesque setting.

The Grille at The Chateau

The Grille at the Chateau is located at the Championship Course. Enjoy the one-of-a-kind view of the 18th green, distant snow-capped mountains, towering pines and Lake Tahoe from the dining room or outdoor seating area. The Grille serves quality, fresh, wholesome ingredients with thoughtful service every day during the golf season (May through October). The Grille is open for lunch and happy hour seven days a week from 11am to 7pm.

Practice Facilities & Golf Shop

The Championship Course offers excellent facilities to refine your game or warm up prior to your round. The 26-stall driving range offers five target greens ranging from 40 to 200 yards, with top-of-the-line hitting mats and the option of inserting your own tees. The driving range opens 30 minutes before the first scheduled tee time and closes with the Golf Shop. The Championship Course putting/chipping green is just steps away from the driving range and parking lot, and offers a bunker and putting green.

The Golf Shop at the Championship Course has the region's best selection of golf equipment, apparel and accessories. We showcase the innovative golf club technology from companies such as Callaway, Titleist, Cobra and TaylorMade, and our PGA golf staff is qualified to provide custom club fitting and to help you get the most out of

your equipment so that you can be confident with your golf game. Our PGA Certified instructors are available for individual or group lessons, club fitting, and on course instruction. Our instructors are equipped with FlightScope™, a state of the art golf ball flight launch monitor, for precision instruction and club fitting.

Virtual Golf at the Championship Golf Shop during the off-season

Our FlightScope X2 Elite launch monitor and indoor hitting net are setup in the Championship Golf Shop during the off-season. Choose from a selection of twenty different golf courses using our virtual golf simulator. Transport yourself to a tropical course and play 18 holes in about an hour. Call 775.832.1146 for tee times or lessons.

Incline Village Golf Academy

The Incline Village Golf Academy, headquartered at the Incline Village Championship Course, is a cooperative approach to golf instruction that offers a wide range of private and semi-private lesson options, golf clinics, junior golf programs and custom club fitting services.

The collaborative approach to instruction encourages students to work with either of the Teaching Professionals in developing their golf game, while ensuring there is a seamless handoff between the two instructors.

Our instruction philosophy is to teach each student how to shape their individual swing to produce the ball flight they desire. By learning how to correctly improve the shape of your swing, you will be able to produce a more consistent ball flight, increasing your enjoyment of the game and lowering your score.

Golf instruction is available on all areas of the game, including full swing, pitching, chipping and putting, as well as on-course playing lessons. Lessons and clinics that use the practice areas include practice balls and clubs are available upon request.

Incline Village Mountain Course

Nestled amid towering pines on the North Shore of Lake Tahoe, this 18-hole, par-58 course is fun and affordable. Beginners will enjoy the shorter format, while those looking for a challenge can work on beating the 6-under par course record or hitting that elusive hole-in-one. Special events like our Thrill & Grill events and Family Fun Days are a non-intimidating way to play the course and make some new friends in the process.

Practice Facilities & Golf Shop

The Mountain Course offers a large practice green where golfers can work on their short game and putting before heading out on the course as well as a large hitting bay to warm up your entire swing. The golf shop at the Mountain Course is fully stocked with golf

apparel, souvenirs, golf balls, clubs and other essentials.

GOLF TIP: PLAYING PAR 3 HOLES

On Par 3 holes, generally we have the toughest time getting par as a score because we only have one full swing chance to hit the green. We have more chances on a par 4 or par 5 to make up for a bad tee shot. To optimize your chances at a good tee shot, start with aiming at the center of the green directionally. Eliminate aiming at a left or right pin position. By aiming at the middle we have more forgiveness left or right with directional errors off of our tee shot.

As far as the right club to choose, start by noting the pin position and choose the club that delivers the distance without having to hit a perfect shot or your best ever. If the pin is a front pin, choose a club that would go the distance to the middle of green comfortably, so that if you miss hit it a little bit you could be close to pin and if you hit it perfectly you will be putting from middle of green. If the pin is in the middle, choose a comfortable club that will give you the correct distance and you have forgiveness short and long of the hole. With a back pin, the mistake

would be long and over the green so pick a club that would have to be hit perfect for the back pin position but maximizes your yardage. This way a less than perfect shot lands short but still should give you a putt from front or middle of the green. Remember that you are basing your distances with clubs off of your average yardage not your best ever and that should keep you in a good rhythm and tempo which we all know usually produces the best contact on the ball.

Championship Golf Course Recognized for Environmental Excellence

Congratulations to Jeff Clouthier and the Golf Maintenance Crew at the Championship Course for their retained designation as a "Certified Audubon Cooperative Sanctuary." The certification from Audubon International is a very

prestigious accolade that Jeff Clouthier, Shaun Riley, and their crews strive to maintain at both of our courses (the Mountain is also certified) every year. There are more than 30,000 golf facilities in the world and only 911 maintain this environmental award.

SUMMER JOBS AT IVGID

If you want to work this Spring/Summer, start the process now. Here are a few tips to help you start on the right path:

View positions at YourTahoePlace.com/jobs. Are you thinking full-time or part-time? Inside or outside?

Talk to employees, friends and contacts to find out what jobs might be a good fit. Next, create an online profile so you can apply for multiple positions without having to re-enter your information. If you don't have computer access, you may use the public computer at the IVGID Administration building at 893 Southwood Blvd., Incline Village.

Your profile is your first impression, so make it count with complete information and reviewing for typos.

If you are struggling with the employment section or have just entered the job market, think of when you volunteered for events, babysat, or did community service.

Attaching a cover letter and resume provides another opportunity to show how your experience fits the position.

Follow up with a phone call if you don't hear back after a week. You don't need to wear a suit, but look presentable. Dressing business casual or wear a polo shirt or blouse is appropriate.

Think about questions the managers may ask pertaining to the job or your experience. Most jobs within the District involve customer service, so think of examples of when you provided exceptional customer service.

Come up with a few questions you want to ask about the expectations to make sure it's a good fit.

Seasonal jobs can be a great opportunity for high school and college students, adults and weekend warriors. Join us in Incline Village/Crystal Bay, where work style and lifestyle meet!

Visit YourTahoePlace.com/jobs or call 775.832.1100 for more employment information.

LAKE SHORE REALTY

FOR FIVE STRAIGHT YEARS OUR MEDIAN SINGLE FAMILY SALES PRICES HAVE SURPASSED THE PREVIOUS YEARS RECORD. HERE ARE FIVE REASONS WHY YOU SHOULD CONSIDER SELLING YOUR INCLINE VILLAGE PROPERTY:

1. Our median single-family sales price reached \$1,115,000 for 2017. This is a whopping 49% higher than our recent low in 2012.
2. Inventory is at an all-time low, with just 103 homes for sale at press time. With less competition among properties, homes are standing out and selling faster than ever.
3. Tax benefits such as no state income tax and low property taxes are encouraging buyers to purchase homes in Nevada over many other less tax-friendly states.
4. Interest rates are low but are consistently inching up. This often lights the fire under any buyer who has waited on the sidelines previously.
5. Buyers remain highly motivated. Rather than waiting for inventory to increase in the following months, buyers are viewing and making offers on Incline Village property immediately, leading to multiple offer scenarios and over asking sales prices!
