High-Efficiency Appliance Rebate Program Guidelines

- IVGID water customers are eligible for rebate credit. A water customer is defined as the customer whose name is on the billing account.
Limited to first 100 program applications per fiscal year.
Application must include all receipts.
Rebate credit will be applied to the customer's IVGID utility bill.
Appliance must be installed within IVGID's water boundaries.
Valid for residential properties within Incline Village and Crystal Bay only.
Customers may receive one rebate per fiscal year worth up to \$100. The rebate is for the cost of the appliance only and does not include the cost of installation.
Rebate will apply to one of the following:
- A High-Efficiency toilet that is U.S. EPA WaterSense and uses 1.28 gallons of water per flush (gpf) or less.
- A High-Efficiency clothes washer that is Energy Star rated and has a water factor of 3.7 or less.
Submit an application, copy (or picture of) original receipt, and photo of installed appliance* with model # to:

*capturing the WaterSense logo or EnergyStar rating tag in the photos helps expedite your rebate.
