

Personnel Policies

Policy 17.1.0

POLICY. The Personnel Policies have been adopted by the Board of Trustees to carry out Incline Village General Improvement District's level one policy statement to adopt uniform personnel policies that will enable each employee to make his/her fullest contribution to the programs and services of the District. There will be no practice statements or categories associated with these Personnel Policies due to their high level of importance.

RESPONSIBILITY. It is the responsibility of the Human Resources Department, ultimately the Director of Human Resources, to make sure that as employment practices, laws, regulations and conditions change, the Personnel Policies are updated, distributed and implemented.
