SPRING CLEANING EDITION

HOUSEHOLD HAZARDOUS WASTE & ELECTRONIC WASTE PROGRAM UPDATES

The Waste Not team is updating the community hazardous waste program, offering extended appointment hours from Memorial Day to Labor Day 2024. Incline Village and Crystal Bay residents can drop off up to 50 pounds of household hazardous waste and electronics by pre-booked appointment starting May 28, 2024. Proof of residency is required, and appointments open two weeks in advance on IVGIDHHW.com or by calling 775-832-1284, beginning Tuesday, May 14, 2024. There is no fee for this service and non-residents will be turned away. Please note that televisions, vacuum/carpet cleaners, countertop appliances, and beauty tools are not accepted.

Waste Not hosts the annual Tahoe Blue Crew Spring litter cleanup during the Incline Village Library Block Party on June 1, starting at 9 am. Volunteers will sweep the village, cleaning streets, streams, trails, and shorelines. BBQ lunch provided. Pickup tools, bags, vests, masks, and gloves available.

Updated details on IVGID events pages. For more info, call 775-832-1284 or email wastenot@ivgid.org

➤➤➤ BE A PART OF TAHOE-TRUCKEE SNAPSHOT DAY!

**MAY 11TH, 9 AM TO NOON, AT TAHOE WATERMAN LANDING,
CARNELIAN BAY CA, AND OTHER LOCATIONS**

Explore Water Quality: Join Tahoe-Truckee Snapshot Day! Dive into our Incline Village and North Shore watersheds on May 11, 2024, for this 24th annual event. Volunteers turn into citizen scientists, assessing spring runoff conditions in Lake Tahoe. One of the longest-running citizen watershed monitoring events on the West Coast, participants conduct stream walks, collect samples, measure, and document site conditions, contributing to a 20+ year database. ➤➤➤ EARTH DAY EVENTS

One of the best ways to learn about Tahoe's environment is to attend or volunteer at educational events. Join Waste Not at spring community events to learn more. Stop by the Tahoe Water Suppliers Association booth at Earth Day Celebrations in April and take the Drink Tahoe Tap™ Water Taste Test, where participants vote on their favorite between local tap water and bottled spring water.
