DATE: June 28, 2023

I. RECOMMENDATION

Staff recommends that the Board of Trustees authorize the following procurements for FY2023/24 transactions:

- 1) Make the following finding: Procurement of chemicals is exempt from competitive solicitation per NRS 332.115 (1), as the District has found single vendor(s) who can supply and deliver chemicals required for the District's water and wastewater treatment operations;
- 2) Authorize sole source procurement of chemicals with the following vendors:
 - a. UNIVAR (Sodium Silicate) in the amount not-to-exceed \$145,000, and
 - b. Olin (Sodium Hydrochlorite) in the amount not-to-exceed \$127,800;
- 3) Procurement of fuel (Fleet Services) through State Contract pricing (Contract #99SWC-S818) with
 - a. Pilot Thomas Logistics, LLC in the amount not-to-exceed \$190,000, and
 - b. Flyers Energy, LLC in the amount not to exceed \$175,000;

4) Blanket Purchase Orders for selected vendors for FY2023/2024 transactions for amounts not-to-exceed those specified in Attachment A to this Board memo.

II. BACKGROUND

Board Policy 20.1.0, Purchasing Policy for Goods and Services, adopted by the Board of Trustees on July 27, 2022, requires that all contracts, including purchase orders, for transaction expected to exceed \$100,000 be approved by the Board of Trustees. Board policy as well as NRS 332.115 further provides for exceptions to the requirement for public advertising and competitive bidding for specified contracts.

The District’s Purchasing procedures require that a purchase order is required for any contract or procurement exceeding \$5,000. While many Purchase Orders are tied to specific contracts or individually bid procurements, Blanket Purchase Orders are used to cover multiple transactions with a single vendor, typically for routine and recurring transactions. In general, Purchase Orders or contracts exceeding \$100,000 require Board approval, provided that the underlying contract has been let consistent with the public bidding requirements set forth in the NRS as well as the District’s Purchasing Policy.

However, NRS 332.115 (attached) provides for selected exceptions to the public advertising and competitive bidding requirements. Among the exemptions provided for in NRS 332.115 are purchases for goods and commodities for resale at retail by public agencies. For the District, several vendors utilized to supply food and beverage and golf merchandise for resale fall within this exemption.

This agenda item has been prepared seeking Board approval for selected blanket purchase orders for planned procurement activities with specific vendors, which are:

- 1. Estimated to exceed \$100,000 for the fiscal year,
- 2. Where the commodity or service procured is specifically exempted from public advertising and competitive bidding requirements (NRS 332.115.1.(p) exempts items for resale at retail outlet operated by a local public agency).

While the NRS includes exemptions for selected categories of local public agency procurement, Board Policy 20.1.0 provides that the District will undertake procurement with the presumption of competitive solicitation, unless it is in the District’s interest to forego competitive solicitation. The District’s long-standing practice has been to solicit informal quotes from vendors with available inventory for products purchased for resale at the District’s food and beverage venues and golf pro shop.

1.1 Purpose

The purposes of the Purchasing Policy (policy) are to define the purchasing system that is used for the procurement of goods and services (general services and professional services, unless specified) as authorized by the Nevada Revised Statutes; to provide for the fair and equitable treatment of all parties involved in the purchasing process; to obtain the highest possible value in exchange for public funds; to exercise positive financial control over purchases; and to safeguard the quality and integrity of the purchasing system.

1.2 Enabling Statute(s)

The Purchasing Policy is adopted pursuant to Chapter 332 of the Nevada Revised Statutes (NRS), cited as the Local Government Purchasing Act. Any purchase of goods and/or services as defined herein shall be made in compliance with the Local Government Purchasing Act or more restrictive requirements as may be adopted by the Incline Village General Improvement District Board of Trustees.

The authority to approve and execute contracts that legally bind IVGID to the purchase of goods and/or services shall be vested in the Board of Trustees, or its authorized representative, as prescribed in this policy, subject to mandatory requirements of NRS Chapter 332 that may be adopted and which supersede IVGID policy prescription.

1.5.1 Board of Trustees

The Board of Trustees shall be the awarding body for any purchase of goods and/or services. For operational effectiveness and efficiency, business necessity or other purpose, the Board of Trustees, in its capacity as the governing body, may delegate the authority to award and execute contracts of any amount to the authorized representative. Such authority shall only be delegated as prescribed by this policy.

Until such time that economic conditions or other factors require a modification, the Board of Trustees shall approve any purchase for which the single transaction as defined herein exceeds \$100,000.

1.5.2 Delegation of Contract Award Authority

The following subsections establish the dollar threshold amounts and other requirements associated with the delegation of contract award authority.

1.5.2.1 Delegation by the Board of Trustees to the General Manager

To ensure efficient and effective business operation of the District, the General Manager, as the authorized representative of governing body, may award and

Purchasing Policy for Goods and Services Policy 20.1.0

execute contracts for the purchase of goods and/or services for which a single transaction does not exceed \$100,000.

Nothing in this section shall preclude the General Manager from requesting Board approval for contracts below this amount if deemed to be in the best interest of the District.

1.5.2.2 Delegation by the General Manager to District Staff Members

To ensure the efficient and effective business operation of the District, the General Manager may delegate contract award and/or execution authority granted by the Board of Trustees to the authorized representative. Such delegation shall be in writing and shall be reported to the Board of Trustees as an information item at the next regularly scheduled Board meeting.

1.5.2.3 Award Authority Determined by Single Transaction

For the purpose of determining the appropriate award authority, contract amounts shall be defined by what constitutes a single, or one transaction, as follows:

- A. One-time Purchase. Each discrete, one-time purchase that will not be duplicated in a fiscal year or fiscal years is a single transaction.
- B. As-needed or On-call Contracts. The contract term of an as-needed or on-call contract that may be required for recurring goods or services throughout a fiscal year, coupled with the total estimated value to be spent during the contract term, shall be considered a single transaction.
- C. Contract Amendments. A single transaction associated with a contract amendment shall be the sum total of the original contract amount of the amendment.
- D. Multi-year Contracts. A single transaction associated with a contract awarded for more than one year shall be the estimated sum total of the contract term, subject to the annual budget appropriation required specified in subsection 1.5.2.4.

1.5.2.4 Annual Budget Appropriation Required

For the purpose of complying with this policy, no contract for goods and/or services needed shall be awarded unless there exists an underlying budget appropriation in

Purchasing Policy for Goods and Services Policy 20.1.0

the fiscal year in which the contract is awarded, or an exception under NRS 354.626 or other law applies.

Contracts awarded in a fiscal year that are anticipated to extend into a subsequent fiscal year or years may be awarded by the appropriate awarding authority but shall be subject to the appropriation requirement specified herein. The appropriation requirements specified herein shall be incorporated in District contract templates.

For construction projects adopted pursuant to IVGID's five-year capital improvement program (CIP), annual appropriations shall be presumed for the anticipated duration of a project.

2.0 Competitive Solicitation

2.1 Competitive Solicitation Requirements

Any competitive solicitation required by this policy shall follow the requirements contained and referenced in this section.

2.1.1 Required Contents

Each competitive solicitation issued by IVGID shall include the following content:

- A. The minimum requirements that a successful responding offeror must meet for contract award.
- B. The method by which a contract will be awarded, i.e., to the lowest responsive and responsible bidder or based on factors in addition to price.
- C. Notice of the written certification required pursuant to subsection 4 of NRS 332.065 (Boycott of Israel), if applicable (see [Subsection 2.2.6.1, Additional Solicitation Requirements When Using an Invitation to Bid](#)).
- D. The period during which a notice of protest of a contract award may be submitted, if applicable (see [Subsection 2.2.6.1, Additional Solicitation Requirements When Using an Invitation to Bid](#)).

2.1.2 Advertisement of Solicitation Opportunity

When required by this policy, the advertisement of a solicitation opportunity shall be published as follows:

Purchasing Policy for Goods and Services Policy 20.1.0

- A. In a newspaper of general circulation in Washoe County at least once and not less than 7 days before the due date and time of the solicitation response.
- B. Posted on a secure website every day for not less than 7 days before the due date and time of the solicitation response, as applicable and required.

The advertisement must state:

- A. The nature of the contract to be awarded.
- B. Where plans and specifications are available, if any.
- C. The date and time which responses must be received by and opened, as applicable.
- D. Whether the written certification required by subsection 4 of NRS 332.065 is applicable.
- E. Other information pertinent to a contract to be awarded.

2.2 Competitive Solicitation Methods

Competitive solicitation authorization and methods required by this policy are established as follows.

2.2.1 Authorization to Issue Competitive Solicitations

The General Manager, as the District's authorized representative, shall be responsible for conducting competitive solicitations and ensuring compliance with the procurement methods required by this policy.

To ensure efficient and effective business operations, the General Manager may assign responsibilities associated with competitive solicitations to subordinate staff members. Depending on the complexity and/or the sensitivity of the procurement, the General Manager may request approval of the solicitation by the Board of Trustees prior to issuance, when in the best interests of the District.

2.2.2 Competitive Solicitation Dollar Thresholds

The Local Government Purchasing Act does not establish competitive solicitation thresholds below \$50,000. As a matter of prudence and best practice, this policy establishes such requirements in subsections 2.2.3 and 2.2.4 below.

Purchasing Policy for Goods and Services Policy 20.1.0

2.2.3 Purchase of Goods and General Services Up To \$10,000

A competitive solicitation process is not required for the purchase of goods and/or general services estimated to cost \$10,000 or less in a single transaction. However, nothing shall preclude District staff members from conducting price comparisons to ensure the best overall value is obtained.

2.2.4 Purchase of Goods and General Services Between \$10,000.01 and \$50,000.00 (Informal Solicitation Methods)

The purchase of goods and/or general services estimated to cost between \$10,000.01 and \$50,000.00 in a single transaction may be procured by soliciting a minimum of two price quotations from sources capable of meeting the District's requirements under a resultant contract, unless a more formalized method such as the use of a standard bidding template is prescribed by the General Manager or designated authorized representative.

2.2.4.1 Less Than Two Price Quotations Received in Response to Informal Solicitation

If at least two price quotations are solicited, and only one is received, the authorized representative may recommend approval of the purchase to the awarding body provided that appropriate written documentation is presented with the purchase request that justifies the selection.

2.2.4.2 No Preclusion for Advertisement of Solicitation Opportunity

Nothing in this section shall preclude the authorized representative from advertising a competitive solicitation opportunity for a goods and/or general services purchase within the dollar thresholds specified in this section if in the best interest of the District to do so.

Depending on the nature of the rejection(s), the General Manager, in consultation with District counsel, may request Board authorization to reject a submittal or submittals.

2.2.7 Purchase of Professional Services

Contracts for professional services where highly specialized knowledge or technical know-how is required are not always adapted to award by competitive solicitation. District staff shall evaluate each purchase of professional services to determine whether a competitive solicitation process would serve the best interests of IVGID or whether such a process would be impractical.

2.2.7.1 Professional Services Procured Through a Competitive Solicitation Process

Professional services procured through a competitive solicitation process may be conducted by request for proposals, request for statement of qualifications, or other method allowable by NRS Chapter 332, so long as responding offerors are evaluated on their qualifications, experience and demonstrated competence.

Competitive solicitations for professional services shall be conducted in a manner prescribed by the General Manager in the implementing administrative procedures. Such procedures shall be guided by the competitive solicitation and contract award thresholds prescribed in this policy.
