

MEMORANDUM

TO: Board of Trustees
FROM: Matthew Dent
Chair
SUBJECT: Review, discuss, and potentially approve revisions to Policy 15.1 regarding Audit Committee officers

RELATED STRATEGIC PLAN INITIATIVES: Long Range Principle #7 Governance

RELATED DISTRICT POLICY: Policy 15.1 Audit Committee Charter

DATE: February 28, 2023

I. RECOMMENDATION

That the Board of Trustees review, discuss, and potentially approve revisions to Policy 15.1 regarding Audit Committee officers.

II. BACKGROUND

The Board has adopted Policy 15.1 which creates and governs the Audit Committee. Section 15.1 currently specifies that the Chair acts as the sole officer for the Audit Committee. Recently, there were changes to the membership to the Audit Committee and the Chair was no longer a member of the Committee. This created some uncertainty who would be responsible for creating the agenda for the next Audit Committee meeting.

This item would add a Vice-Chair to the Audit Committee that would serve as the Chair in their absence. The item would also clarify that if the offices of Chair and Vice-Chair were vacant, the most senior Trustee on the Committee would serve as acting Chair.

III. FINANCIAL IMPACT AND BUDGET

No impact.

IV. ALTERNATIVES

Below are alternatives to the recommended action:

1. Decline to move forward at this time with the amendment.

V. BUSINESS IMPACT

This item is not a "rule" within the meaning of Nevada Revised Statutes, Chapter 237, and does not require a Business Impact Statement.

Accounting, Auditing, and Financial Reporting Audit Committee Charter Policy 15.1.0

The Incline Village General Improvement District is committed to be proactive, informed, and to provide the highest level of financial accountability and transparency to its parcel owners and other stakeholders (i.e., the State of Nevada).

The Government Finance Officers Association (GFOA) encourages the effective use of an audit committee in the public sector and considers such a committee an integral element of public accountability and governance. An Audit Committee plays a key role with respect to overseeing the integrity of the District's annual financial statements (the "ACFR") by ensuring those responsible for financial management (Management and the Board of Trustees) meet their responsibilities for maintaining an effective system of internal controls over financial reporting. An Audit Committee is a practical means for a governing body to provide much needed independent review and oversight of the District's financial reporting processes, internal controls, and independent auditors.

An Audit Committee also provides a forum separate from management in which auditors and other interested parties can candidly discuss concerns. By effectively carrying out its functions and responsibilities, an Audit Committee helps to ensure that procedures are in place to objectively assess management's practices, and that the independent auditors, through their own review, objectively assess the government's financial reporting practices.

An Audit Committee should be formally established by the Board of Trustees, be adequately funded, and be subject to a formally approved Audit Committee Charter.

POLICY: The Audit Committee (the "Committee") is to assist the Board of Trustees fulfill its responsibilities in accordance with Nevada Revised Statutes (NRS), District Policies, Practices, Ordinances, and Resolutions by providing oversight over the District's financial reports, the system of internal controls including the internal audit plans and reports, and the independent auditor's reports within the ACFR.

The Committee shall have open communication with and maintain strong working relationships with the IVGID Board of Trustees, the General Manager, Director of Finance, and the independent auditor.
