NOTICE OF PUBLIC HEARING

IVGID is proposing a sewer and water rate increase, with an overall Water Utility revenues increase of up to 10% and an overall Sewer Utility revenues increase of up to 13.5%. The proposed increase for the average residential customer (10,000 gallons of water and 3,000 gallons of sewer per month) on water rates would be 8% and sewer rates would be 13.2%.

The proposed rate increases are due to the following factors:

- Funding of the current and future operating and capital expenses
- Funding of the annual debt service
- The need to meet the reserve policy voted on by the Board of Trustees

Copies of the proposed documents are available at
893 Southwood Blvd.,
1220 Sweetwater Road and on our website at:
www.yourtahoepace.com/ivgid/resources/ivgid-ordinances

The public hearing will be held:
Wednesday, June 14, 2023 not earlier than 6:00 pm and as soon thereafter as
practicable at IVGID Boardroom, 893 Southwood Blvd, Incline Village, Nevada.
Please check the posted Board of Trustees Notice of Meeting for any changes.
