

A photograph of three dogs sitting in a dog park. On the left is a German Shepherd with its ears perked up. In the middle is a Golden Retriever with its mouth slightly open. On the right is a large, curly-haired dog, possibly a Poodle or a similar breed. The background shows a wooden fence and some foliage.

Next Steps

- **Meet with TRPA to discuss setback and use of area to the west of Village Green upper and lower fields.**
- **Develop conceptual plan (with cost estimate) that fits into the hopefully enlarged space**
- **Seek board and community input.**
- **Develop full packet for submittal to TRPA/Washoe County**
- **Solicit donations, depending on project scope.**
- **Target start date: spring 2024.**
