I. RECOMMENDATION

The Board of Trustees makes a motion to:

1. Approve the Agreement for the 30% Schematic Design for the Incline Beach House Project - 2023/24 Capital Improvement Project; Fund: Community Services; Division: Beaches; Project #3973LI1302; Contractor: CORE West Inc. dba CORE Construction for the amount of \$103,500.00; and,
2. Approve the Agreement for the 30% Schematic Design for the Beach Access Project - 2023/24 Capital Improvement Project; Fund: Community Services; Division: Beaches; Project #3972BD2102; Contractor: CORE West Inc. dba CORE Construction for the amount of \$18,000.00; and,
3. Direct the Chair and Secretary to sign and execute the Agreements.

II. BACKGROUND

The Board identified the Incline Beach House Project (Project) as a Community Services Master Plan Priority project, a Top Tier Recommendation at the January 12, 2022 (Item G4) Board meeting. Staff brought the historical timeline of the Project to the Board on July 27, 2022 (Item H1) and then again on February 8, 2023 (Item F8). At the February 8, 2023, Board meeting, the Board determined there was a need for further community input. After FlashVote surveys were released and the results were made available, staff returned to the Board on July 26, 2023 (Item H1), to clarify these results and requested direction in order to release a Request for Qualification (RFQ). Staff also requested the Board clarify the delivery method to be used in this process, i.e. Design-Bid-Build, CMAR or Design-Build. The Board gave staff direction to release an RFQ for the Project for a Design-Build team for the 30% schematic design.

The RFQ was a two-step process which was released on November 16, 2023, with a due date of December 19, 2023. Four Design-Build teams responded to the RFQ which were shortlisted by a Selection Committee to three final teams. These three teams were given further Technical Documents and were asked to interview with the Selection Committee on February 1, 2024. The Selection Committee was made up of two members of the Board of Trustees, two members of the District's executive team, two members of the Public Works staff and one member of the Capital Investment Committee.

The three Design-Build teams were asked to propose on the overall project, which is currently budgeted as two separate projects; the Incline Beach House Project and the Beach Access Project. These two projects are planned to be combined during the 100% Design Phase contingent upon final estimates and budgeting for FY 2024/25. The Incline Beach Access Project, which will be presented to the Board in its entirety at a future date, at a minimum, will include the following:

1. Provide a way for the entrance to Incline Beach to be gated with a Radio Frequency Identification (RFID) for both pedestrians and vehicles.
2. The lanes should be configured such that there is a turnaround for rejected

vehicles.

3. This project will be a part of the FY 2024/25 budgeting process. It is not a part of the \$4M budget associated with the Incline Beach House Project.

The 30% Schematic Design estimated timeline, including milestones, meeting dates and deliverables is included in Attachment #1.

III. BID RESULTS

The RFQ was released per NRS 338.1711 for Design-Build. Four Design-Build teams submitted Statements of Qualifications for the Project and were shortlisted to three teams. CORE Construction was determined by the Selection Committee to be the most qualified Design-Build team.

IV. FINANCIAL IMPACT AND BUDGET

The FY 2023/24 approved budget included \$4 Million for the total Project Budget for the Incline Beach House Project. This budget includes programming, planning, permitting, design, and construction as well as staff time. The FY 2023/24 approved budget for the Beach Access Project is \$100,000, of which \$18,000 will be used for the 30% Schematic Design of the project. The Agreement for the 30% Schematic Design for the Incline Beach House Project and the Agreement for the 30% Schematic Design for the Incline Beach Access Project CORE Construction are included in Attachments #2 and #3 respectively.

If requested by Consultant, District may approve different scopes or minimum limits of insurance for particular subcontractors or subconsultants.

7.1.8 Compliance With Coverage Requirements. If at any time during the life of the Agreement, any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, District has the right but not the duty to obtain the insurance it deems necessary and any premium paid by District will be promptly reimbursed by Consultant or District will withhold amounts sufficient to pay premium from Consultant payments. In the alternative, District may terminate this Agreement for cause.

7.1.9 Safety. Consultant shall execute and maintain its work so as to avoid injury or damage to any person or property. In carrying out its Services, the Consultant shall at all times be in compliance with all applicable local, state and federal laws, rules and regulations, and shall exercise all necessary precautions for the safety of employees appropriate to the nature of the work and the conditions under which the work is to be performed.

7.1 The Design-Builder shall obtain insurance for claims arising from the negligent performance of professional services under this Agreement, which shall be:

Minimum Limits of Insurance. Consultant shall maintain limits no less than: (1) General Liability: \$5,000,000 per occurrence for bodily injury, personal injury and property damage, and shall be endorsed to include contractual liability. Limits can be satisfied by providing Excess Liability coverage. If Commercial General Liability Insurance or other form with general aggregate limit is used, either the general aggregate limit shall apply separately to this Agreement/location or the general aggregate limit shall be twice the required occurrence limit; (2) Automobile Liability: \$2,000,000 combined single limit (each accident) for bodily injury and property damage; and (3) Industrial Insurance: Workers' Compensation limits as required by the Labor Code of the State of Nevada. Employer's Liability limits of \$1,000,000 per accident for bodily injury or disease; and (4) Professional Liability/Errors and Omissions: Consultant shall procure and maintain, and

require its sub-consultants to procure and maintain, for a period of five (5) years following completion of the Services, professional liability/errors and omissions liability insurance appropriate to their profession. Such insurance shall be in an amount not less than \$2,000,000 per claim. "Covered Professional Services" as designated in the Professional Liability/Errors and Omissions policy must specifically include work performed under this Agreement.

7.1.1 Requirements of specific coverage or limits contained in this section are not intended as a limitation on coverage, limits, or other requirement, or a waiver of any coverage normally provided by any insurance. Any available coverage shall be provided to the parties required to be named as additional insured pursuant to this Agreement. Defense costs shall be payable in addition to the limits.

7.1.2 Insurance Endorsements. The insurance policies shall contain the following provisions, or Consultant shall provide endorsements on forms supplied or approved by the District to add the following provisions to the insurance policies:

7.1.2.1 Commercial General Liability. The commercial general liability policy shall be endorsed to provide the following: (1) the District, its directors, officials, officers, employees, agents and volunteers shall be covered as additional insureds; (2) the insurance coverage shall be primary insurance as respects the District, its directors, officials, officers, employees, agents and volunteers, or if excess, shall stand in an unbroken chain of coverage excess of the Consultant's scheduled underlying coverage. Any insurance or self-insurance maintained by the District, its directors, officials, officers, employees, agents and volunteers shall be excess of the Consultant's insurance and shall not be called upon to contribute with it in any way; and (3) the insurance coverage shall contain or be endorsed to provide waiver of subrogation in favor of the District, its directors, officials, officers, employees, agents and volunteers or shall specifically allow Consultant to waive its right of recovery prior to a loss. Consultant hereby waives its own right of recovery against District, and shall require similar written express waivers and insurance clauses from each of its subconsultants.

7.1.2.2 Automobile Liability. The automobile liability policy shall be endorsed to provide the following: (1) the District, its directors, officials, officers, employees, agents and volunteers shall be covered as additional insureds with respect to the ownership, operation, maintenance, use, loading or unloading of any auto owned, leased, hired or borrowed by the Consultant or for which the Consultant is responsible; (2) the insurance coverage shall be primary insurance as respects the District, its directors, officials, officers, employees, agents and volunteers, or if excess, shall stand in an unbroken chain of coverage excess of the Consultant's scheduled underlying coverage. Any insurance or self-insurance maintained by the District, its directors, officials, officers, employees, agents and volunteers shall be excess of the Consultant's insurance and shall not be called upon to contribute with it in any way; and (3) the insurance coverage shall contain or be endorsed to provide waiver of subrogation in favor of the District, its directors, officials, officers, employees, agents and volunteers or shall specifically allow Consultant to waive its right of recovery prior to a loss. Consultant hereby waives its own right of recovery against District, and shall require similar written express waivers and insurance clauses from each of its subconsultants.

7.1.2.3 Industrial (Workers' Compensation and Employers Liability) Insurance. The insurer shall agree to waive all rights of subrogation against the District, its directors, officials, officers, employees, agents and volunteers for losses paid under the terms of the insurance policy which arise from work performed by the Consultant.

7.1.2.4 All Coverages. Each insurance policy required by this Agreement shall be endorsed to state that: (A) coverage shall not be suspended, voided, reduced or canceled except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the District; and (B) any failure to comply with reporting

or other provisions of the policies, including breaches of warranties, shall not affect coverage provided to the District, its directors, officials, officers, employees, agents and volunteers.

7.1.3 Separation of Insureds; No Special Limitations. All insurance required by this Section shall contain standard separation of insureds provisions. In addition, such insurance shall not contain any special limitations on the scope of protection afforded to the District, its directors, officials, officers, employees, agents and volunteers.

7.1.4 Deductibles and Self-Insurance Retentions. Any deductibles or self-insured retentions must be declared to and approved by the District. Consultant shall guarantee that, at the option of the District, either: (1) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the District, its directors, officials, officers, employees, agents and volunteers; or (2) the Consultant shall procure a bond guaranteeing payment of losses and related investigation costs, claims and administrative and defense expenses.

7.1.5 Acceptability of Insurers. Insurance is to be placed with insurers duly licensed or authorized to do business in the state of Nevada and with an "A.M. Best" rating of not less than A-VII. The District in no way warrants that the above-required minimum insurer rating is sufficient to protect the Consultant from potential insurer insolvency.

7.1.6 Verification of Coverage. Consultant shall furnish the District with original certificates of insurance and endorsements effecting coverage required by this Agreement on forms satisfactory to the District. The certificates and endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf, and shall be on forms provided by the District if requested. All certificates and endorsements must be received and approved by the District before work commences. The District reserves the right to require complete, certified copies of all required insurance policies, at any time.

7.1.7 3.2.10.8 Subconsultants. Consultant shall not allow any subcontractors or subconsultants to commence work on any subcontract until they have provided evidence satisfactory to the District that they have secured all insurance required under this section. Policies of commercial general liability insurance provided by such subcontractors or subconsultants shall be endorsed to name the District as an additional insured using ISO form CG 20 38 04 13 or an endorsement providing the exact same coverage. If requested by Consultant, District may approve different scopes or minimum limits of insurance for particular subcontractors or subconsultants.

7.1.8 Compliance With Coverage Requirements. If at any time during the life of the Agreement, any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, District has the right but not the duty to obtain the insurance it deems necessary and any premium paid by District will be promptly reimbursed by Consultant or District will withhold amounts sufficient to pay premium from Consultant payments. In the alternative, District may terminate this Agreement for cause.

7.1.9 Safety. Consultant shall execute and maintain its work so as to avoid injury or damage to any person or property. In carrying out its Services, the Consultant shall at all times be in compliance with all applicable local, state and federal laws, rules and regulations, and shall exercise all necessary precautions for the safety of employees appropriate to the nature of the work and the conditions under which the work is to be performed.
