

MEMORANDUM

TO: Board of Trustees

FROM: Bobby Magee
District General Manager

SUBJECT: Review, Discuss and Approve Revisions to Policy and Procedure No. 136, Policy Concerning the Use of District Facilities for Expression

DATE: June 12, 2024

I. RECOMMENDATIONS

1. The Board review, discuss and approve revisions to Policy and Procedure Number 136, Concerning Access to District Property and the Use of District Facilities for Expression

II. DISTRICT STRATEGIC PLAN

This action supports Long Range Principle #6, Communication; *“The District will engage, interact and educate to promote understanding of the venues, facilities, services, and ongoing affairs.”*

III. BACKGROUND

As part of its identification of priorities, the Board directed staff to examine revision to Policy and Procedure Number 136, as certain activities have created conflict and complaints from constituents. Emails received by the Board included complaints of being an involuntary audience and having a negative impact on the enjoyment of recreation facilities, as well as violations of the existing policy. As a result, the Board directed that staff specifically identify areas at each venue for free speech.

The proposed policy revisions include a map that specifically identifies zones on property where free speech activity can occur without leading to conflicts with recreational activity, as well as avoids conflict with vehicular traffic. Additionally, the policy includes language that designates areas for signature gathering, which the District is required to provide at each public building that is open to the general public, either inside or outside of the building, in accordance with NRS 293.127565. In addition to the mapped areas, the policy revisions require the Diamond Peak Ski Resort General Manager to designate within Diamond Peak a

suitable location, inside the main lodge or outside on the main lodge deck, for the conduct of signature gathering activities.

Importantly, the existing policy designates portions of Ski Beach, Incline Beach, and Burnt Cedar Beach as public forums. In *Wright v. Incline Village General Improvement District*, 665 F.3d 1128 (9th Cir. 2011), the Ninth Circuit determined that these beaches (as well as Hermit Beach) are not traditional public forums, and that exclusion of persons who do not live within IVGID's 1968 boundaries does not violate any rights under the First or Fourteenth Amendments. The existing policy does not mention Hermit Beach. Since IVGID presently limits access to all four of these beaches in accordance with the restrictive covenants of the Beach Deed and Ordinance No. 7, Policy Number 136 should be revised to list Ski Beach, Incline Beach, Burnt Cedar Beach, and Hermit Beach as non-public forum areas, to comport with how access is already controlled under other IVGID policies and to avoid any potential for public confusion.

Additionally, Diamond Peak is proposed to be listed as a non-public forum. Most of the areas at Diamond Peak are restricted to users who have paid for lift-access, except for some limited public accommodations at the Base Lodge and Skier Services Building. A ski resort would not normally be considered a traditional public forum under applicable case law, and it is unlikely that the District is required to designate an area of Diamond Peak for the purpose of conducting First Amendment activities while other more appropriate forums are available within IVGID for such activities.

IV. FINANCIAL IMPACT AND BUDGET

None anticipated.

V. ALTERNATIVES

Do not approve the proposed policy revisions.

VI. BUSINESS IMPACT

This item is not a "rule" within the meaning of Nevada Revised Statutes, Chapter 237, and does not require a Business Impact Statement.

VII. ATTACHMENTS

1. Proposed Amended Policy
2. Current Policy

Policy and Procedure Number 136 Policy Concerning Access to District Property and the Use of District Facilities for Expression

PREAMBLE

The Incline Village General Improvement District (the "District") is a special purpose district existing under Chapter 318 of the Nevada Revised Statutes and Washoe County Ordinance.

The District owns real property and facilities that it uses to fulfill its special purposes, and those uses by the District take precedence over any other activity or use.

The District recognizes that public expression, speech and assembly is a fundamental right. The District must, however, balance the exercise of that fundamental right with its significant interests to:

- (a) satisfy its special purposes;
- (b) assure orderly conduct;
- (c) protect the rights of persons authorized to use District real property and facilities to the unique recreational experiences provided by the natural environment of such real property and facilities;
- (d) protect and preserve the unique environment on which the various District properties and facilities reside;
- (e) reasonably provide an opportunity for access to the District community for expression; and,
- (f) reasonably protect persons entitled to use District real property and facilities from activities or practices which would make them involuntary audiences, or which are inappropriate to the purpose and enjoyment of a specific real property and facility.
- (g) Ensure the safety of the staff and the public.

Policy and Procedure Number 136 Policy Concerning Access to District Property and the Use of District Facilities for Expression

Through this Policy, the District designates public forum areas within its real property and facilities, and encourages any individual or group to use such designated public forum areas for the exercise of expression, speech and assembly, in accordance with this Policy. The District will not further regulate such exercise except as consistent with applicable law. In order to preserve the peace, however, and to promote the significant interests of the District, including those listed above, the District may make reasonable, lawful rules and regulations with respect to the time, place and manner of any use of its real property and facilities for purposes of expression, speech and assembly.

DESIGNATION OF PUBLIC FORUM AREAS

The District designates as public forum areas the following areas of the real properties and facilities listed on Exhibit 1 to this Policy as locations where assemblies may take place. The locations are further identified in Map 1. A copy of this Policy and Exhibit 1, which Exhibit is made a part of this Policy, shall be available at each such real property and facility, and shall also be available at the District Administrative Office.

The designated public forum areas as described above for the real properties and facilities listed on Exhibit 1 are areas where all persons may exercise the activities of expression, speech and assembly, to the extent permitted by law and this Policy and any rules and regulations which the District may adopt. Such activities must be consistent with the maintenance and operation of District real properties and facilities, and must not interfere with the intended use of such facilities, or with parking, the flow of vehicular

Policy and Procedure Number 136 Policy Concerning Access to District Property and the Use of District Facilities for Expression

traffic, and ingress to and egress from the property and all buildings and facilities. Such activities must not create an imminent health or safety hazard or result in a violation of the privacy or rights of others. The location and size of the designated public forum areas with respect to each real property and facility listed on Exhibit 1 reflects an appropriate balance of the significant interests of the District with the recognized right of expression, speech and assembly.

While it is the District's intention to assure use of the designated public forum areas as described in this Policy for each real property and facility listed on Exhibit 1 for the purpose of expression, speech and assembly, some of the real properties and facilities may have existing practical limitations. The District may make additional reasonable rules and regulations for the use of each real property and facility as it determines to be necessary.

NON-PUBLIC FORUM AREAS

The portions of the District real properties and facilities listed on Exhibit 1 and not designated in this Policy as a public forum area, and all other District real properties and facilities, including without limitation, the real properties and facilities described in Exhibit 2, where public access may be limited or restricted, are deemed to be and are designated as "non-public forum areas."

SPECIAL USE CASES

BOARD MEETING ROOM

The meeting room at the District Administrative Office in which the Board of

Policy and Procedure Number 136 Policy Concerning Access to District Property and the Use of District Facilities for Expression

Trustees of the District conducts its meetings is also available for expression, speech and assembly during the public comment period consistent with the conduct of the Board's business during such meetings and with the provisions of NRS § 241.020(3), related to restrictions on public comment.

SIGNATURE GATHERING

NRS 293.127565 requires that each public building that is open to the general public, the District designate an area for the use of any person to gather signatures on petitions, and that such area must be reasonable and may be inside or outside of the building. The District hereby designates those locations set forth in Exhibit 1 to be used for signature gathering. In addition, the Diamond Peak Ski Resort General Manager shall designate within Diamond Peak a suitable location, inside the main lodge or outside on the main lodge deck, for the conduct of signature gathering activities.

The District Clerk shall on an annual basis file a copy of this policy designating areas available for signature gathering with the Secretary of State and the county clerk in compliance with requirements under NRS 293.127565. Notifications required by NRS 293.127565 to use such areas shall be made to the District Clerk.
